## Arabic Uni

Speak Arabic Like the Arabs

## Advanced Course

This is the Middle East Arabic Academy's Advanced Course on Spoken Arabic. Those who have completed the Beginner and Intermediate courses offered by the Academy will be able to attain higher levels of spoken language by being a member of this course. Learning and practicing applications of necessary real life Spoken Arabic usages are enabled. The academy assures that you'll be able to converse with Arabs in a unique style upon successful completion of this course.

### Module 01: Training to Make Sentences with Easy Words

People know many words and phrases, but many don't know how to use them in spoken language. This course teaches you to make sentences with short words. It gives you a good start in language learning and communication.

### Module 02 & 03: Conversation Necessary at Important Places like Airports, Hotels, Courts

Words and phrases that are essential for everyday life are taught and practiced. Training to speak Arabic at the airport, hotel and market, etc. is imparted so as to enable you to fulfil your needs at these places.

### Module 04: Introduction to Words Related to Computers and Mobile Phones

Introduces the terminology needed for the use of computers and mobile phones.

### Module 05 & 07: Practical Session

- Makes you practice in different ways
- Teaches words used for happiness and sorrow
- Teaches you ways of expressing appreciation
- Teaches methods of responding or replying
- Other types of addressing are taught

### Module 07: Training on Full Form of Verbs

Different modes of verbs are learnt. Learning a verb also requires knowing its areas (of usage). Various forms of usage of verbs are introduced without explaining the basic rules or grammar of the language.
